Soldering tin ø 1,0mm 15g reel, lead-free

Art.-No.: 43047D

EAN: 4043718133291

- Soldering tin ø 1.0 mm 15 g reel
- Material :L-Sn / Ag 3,5% / Cu 0,7%
- First-class brand soldering tin made in Taiwan
- significantly enhanced conductivity through composition including 3.5% silver.
- No-CLEAN-SOLUTION with continuous fluxing agent cores
- No cleaning of soldering area required after soldering, halogen-free with low smoke emission
- Composition: 3.5% silver, 0.7% copper, 95.8% tin, fluxing agent percentage: 2%
- Melting point 217°C
